Helpful Hints

1. Hal Taffin only responds to one kind of language - violence. He may act tough, but roughing him up is the only way to get the truth.

2. Make sure you keep your progress saved regularly in the various slots provided, as you may want to take a different route through the game and who knows what can happen to you in space.

3. When attacking shuttles pay attention to their design - find a weak spot, and exploit it.
